24	Clock depthing tool by 'Popular Progress'
25	Large transmission countershaft by 'Popular Progress'
26	Small Geneva lathe set up with sawing table
27	Small brass shop-built 8mm lathe

~~	
28	Boxed set of turning arbors
29	An 8mm scrolling 3-jaw chuck
30	Hand-held crystal press and dies by 'Popular
	Progress'
31	An 8mm mandrel face-plate by Leinen
32	A large Vienna regulator by Lenzkirch in 'Classic' oak
33	A Vienna regulator by Gustav Becker
34	A mercury tube banjo barometer
	A mercury tube stick barometer by Watkins & Smith,
35	f/r
36	A box of carriage clock parts and cases
37	An empty mahogany case for a 30hr longcase clock
38	A box of Black Forest clocks
39	Boxed jewelling press by Favorite
40	Roller removing tool
41	Small box of punches
42	·
43	Boxed set of Bergeon watch mainspring winders Webster clock mainspring winder
43	. •
	Cased Jacot tool in good condition Boxed clock depthing tool with lantern runner
45	(unsigned but J.Malcolm Wild type)
46	Staking set (unsigned but good quality)
47	Watch balance poising tool w/ ruby jaws, by Favorite
48	Boxed set of auxiliary punches & stakes by Favorite
49	A 'Verdict' metric dial gauge and another Imperial (2)
50	Boxed clock mainspring winder with accessories
	· ·
51	‡ Ultrasonic cleaning tank (~1 litre)
52	Optical centre punch by Dankroy
53	Watch pivoting tool
54	‡ Rollimat clock pivot burnishing machine, with spare
55	burnishing wheel Clock bushing tool by Elma, with accessories
55 56	Clock bushing tool by Elma, with accessories
56	Clock bushing tool by Elma, with accessories Bag asst longcase winding keys
	Clock bushing tool by Elma, with accessories
56	Clock bushing tool by Elma, with accessories Bag asst longcase winding keys Plastic nests of small drawers, with contents: taps,
56 57	Clock bushing tool by Elma, with accessories Bag asst longcase winding keys Plastic nests of small drawers, with contents: taps, dies, materials, etc. (2)
56 57 58	Clock bushing tool by Elma, with accessories Bag asst longcase winding keys Plastic nests of small drawers, with contents: taps, dies, materials, etc. (2) Box asst clock materials
56 57 58 59	Clock bushing tool by Elma, with accessories Bag asst longcase winding keys Plastic nests of small drawers, with contents: taps, dies, materials, etc. (2) Box asst clock materials Box asst clock mainsprings, many still in constraints
56 57 58 59 60	Clock bushing tool by Elma, with accessories Bag asst longcase winding keys Plastic nests of small drawers, with contents: taps, dies, materials, etc. (2) Box asst clock materials Box asst clock mainsprings, many still in constraints Tins of milling cutters, drill bits, etc. (4) Box asst clock consumables & materials
56 57 58 59 60 61 62	Clock bushing tool by Elma, with accessories Bag asst longcase winding keys Plastic nests of small drawers, with contents: taps, dies, materials, etc. (2) Box asst clock materials Box asst clock mainsprings, many still in constraints Tins of milling cutters, drill bits, etc. (4) Box asst clock consumables & materials Bergeon no. 2462 graver sharpening jig Bergeon tools: no. 5797 hand lifter, Presto hand
56 57 58 59 60 61 62 63	Clock bushing tool by Elma, with accessories Bag asst longcase winding keys Plastic nests of small drawers, with contents: taps, dies, materials, etc. (2) Box asst clock materials Box asst clock mainsprings, many still in constraints Tins of milling cutters, drill bits, etc. (4) Box asst clock consumables & materials Bergeon no. 2462 graver sharpening jig Bergeon tools: no. 5797 hand lifter, Presto hand remover (2)
56 57 58 59 60 61 62 63 64	Clock bushing tool by Elma, with accessories Bag asst longcase winding keys Plastic nests of small drawers, with contents: taps, dies, materials, etc. (2) Box asst clock materials Box asst clock mainsprings, many still in constraints Tins of milling cutters, drill bits, etc. (4) Box asst clock consumables & materials Bergeon no. 2462 graver sharpening jig Bergeon tools: no. 5797 hand lifter, Presto hand remover (2) Box with multiple tins of materials & consumables
56 57 58 59 60 61 62 63	Clock bushing tool by Elma, with accessories Bag asst longcase winding keys Plastic nests of small drawers, with contents: taps, dies, materials, etc. (2) Box asst clock materials Box asst clock mainsprings, many still in constraints Tins of milling cutters, drill bits, etc. (4) Box asst clock consumables & materials Bergeon no. 2462 graver sharpening jig Bergeon tools: no. 5797 hand lifter, Presto hand remover (2) Box with multiple tins of materials & consumables Carriage clock platforms, all a/f (8)
56 57 58 59 60 61 62 63 64	Clock bushing tool by Elma, with accessories Bag asst longcase winding keys Plastic nests of small drawers, with contents: taps, dies, materials, etc. (2) Box asst clock materials Box asst clock mainsprings, many still in constraints Tins of milling cutters, drill bits, etc. (4) Box asst clock consumables & materials Bergeon no. 2462 graver sharpening jig Bergeon tools: no. 5797 hand lifter, Presto hand remover (2) Box with multiple tins of materials & consumables Carriage clock platforms, all a/f (8) Carriage clock platforms, all a/f incl a floating
56 57 58 59 60 61 62 63 64 65 66	Clock bushing tool by Elma, with accessories Bag asst longcase winding keys Plastic nests of small drawers, with contents: taps, dies, materials, etc. (2) Box asst clock materials Box asst clock mainsprings, many still in constraints Tins of milling cutters, drill bits, etc. (4) Box asst clock consumables & materials Bergeon no. 2462 graver sharpening jig Bergeon tools: no. 5797 hand lifter, Presto hand remover (2) Box with multiple tins of materials & consumables Carriage clock platforms, all a/f (8) Carriage clock platforms, all a/f incl a floating suspension unit (7)
56 57 58 59 60 61 62 63 64 65 66	Clock bushing tool by Elma, with accessories Bag asst longcase winding keys Plastic nests of small drawers, with contents: taps, dies, materials, etc. (2) Box asst clock materials Box asst clock mainsprings, many still in constraints Tins of milling cutters, drill bits, etc. (4) Box asst clock consumables & materials Bergeon no. 2462 graver sharpening jig Bergeon tools: no. 5797 hand lifter, Presto hand remover (2) Box with multiple tins of materials & consumables Carriage clock platforms, all a/f (8) Carriage clock platforms, all a/f incl a floating suspension unit (7) Carriage clock platforms f/r (7)
56 57 58 59 60 61 62 63 64 65 66 67	Clock bushing tool by Elma, with accessories Bag asst longcase winding keys Plastic nests of small drawers, with contents: taps, dies, materials, etc. (2) Box asst clock materials Box asst clock mainsprings, many still in constraints Tins of milling cutters, drill bits, etc. (4) Box asst clock consumables & materials Bergeon no. 2462 graver sharpening jig Bergeon tools: no. 5797 hand lifter, Presto hand remover (2) Box with multiple tins of materials & consumables Carriage clock platforms, all a/f (8) Carriage clock platforms, all a/f incl a floating suspension unit (7) Carriage clock platforms f/r (7) Containers of clock cutting & smoothing broaches (4)
56 57 58 59 60 61 62 63 64 65 66 67 68	Clock bushing tool by Elma, with accessories Bag asst longcase winding keys Plastic nests of small drawers, with contents: taps, dies, materials, etc. (2) Box asst clock materials Box asst clock mainsprings, many still in constraints Tins of milling cutters, drill bits, etc. (4) Box asst clock consumables & materials Bergeon no. 2462 graver sharpening jig Bergeon tools: no. 5797 hand lifter, Presto hand remover (2) Box with multiple tins of materials & consumables Carriage clock platforms, all a/f (8) Carriage clock platforms, all a/f incl a floating suspension unit (7) Carriage clock platforms f/r (7) Containers of clock cutting & smoothing broaches (4) Oiler stand & oilers
56 57 58 59 60 61 62 63 64 65 66 67 68 69 70	Clock bushing tool by Elma, with accessories Bag asst longcase winding keys Plastic nests of small drawers, with contents: taps, dies, materials, etc. (2) Box asst clock materials Box asst clock mainsprings, many still in constraints Tins of milling cutters, drill bits, etc. (4) Box asst clock consumables & materials Bergeon no. 2462 graver sharpening jig Bergeon tools: no. 5797 hand lifter, Presto hand remover (2) Box with multiple tins of materials & consumables Carriage clock platforms, all a/f (8) Carriage clock platforms, all a/f incl a floating suspension unit (7) Carriage clock platforms f/r (7) Containers of clock cutting & smoothing broaches (4) Oiler stand & oilers Set of five clock reamers
56 57 58 59 60 61 62 63 64 65 66 67 68 69 70 71	Clock bushing tool by Elma, with accessories Bag asst longcase winding keys Plastic nests of small drawers, with contents: taps, dies, materials, etc. (2) Box asst clock materials Box asst clock mainsprings, many still in constraints Tins of milling cutters, drill bits, etc. (4) Box asst clock consumables & materials Bergeon no. 2462 graver sharpening jig Bergeon tools: no. 5797 hand lifter, Presto hand remover (2) Box with multiple tins of materials & consumables Carriage clock platforms, all a/f (8) Carriage clock platforms, all a/f incl a floating suspension unit (7) Carriage clock platforms f/r (7) Containers of clock cutting & smoothing broaches (4) Oiler stand & oilers Set of five clock reamers Bags of pliers, buff sticks, brushes (3)
56 57 58 59 60 61 62 63 64 65 66 67 68 69 70 71 72	Clock bushing tool by Elma, with accessories Bag asst longcase winding keys Plastic nests of small drawers, with contents: taps, dies, materials, etc. (2) Box asst clock materials Box asst clock mainsprings, many still in constraints Tins of milling cutters, drill bits, etc. (4) Box asst clock consumables & materials Bergeon no. 2462 graver sharpening jig Bergeon tools: no. 5797 hand lifter, Presto hand remover (2) Box with multiple tins of materials & consumables Carriage clock platforms, all a/f (8) Carriage clock platforms, all a/f incl a floating suspension unit (7) Carriage clock platforms f/r (7) Containers of clock cutting & smoothing broaches (4) Oiler stand & oilers Set of five clock reamers Bags of pliers, buff sticks, brushes (3) Bag of large clock cutting broaches, mostly unused
56 57 58 59 60 61 62 63 64 65 66 67 68 69 70 71	Clock bushing tool by Elma, with accessories Bag asst longcase winding keys Plastic nests of small drawers, with contents: taps, dies, materials, etc. (2) Box asst clock materials Box asst clock mainsprings, many still in constraints Tins of milling cutters, drill bits, etc. (4) Box asst clock consumables & materials Bergeon no. 2462 graver sharpening jig Bergeon tools: no. 5797 hand lifter, Presto hand remover (2) Box with multiple tins of materials & consumables Carriage clock platforms, all a/f (8) Carriage clock platforms, all a/f incl a floating suspension unit (7) Carriage clock platforms f/r (7) Containers of clock cutting & smoothing broaches (4) Oiler stand & oilers Set of five clock reamers Bags of pliers, buff sticks, brushes (3) Bag of large clock cutting broaches, mostly unused Bag of asst files
56 57 58 59 60 61 62 63 64 65 66 67 68 69 70 71 72	Clock bushing tool by Elma, with accessories Bag asst longcase winding keys Plastic nests of small drawers, with contents: taps, dies, materials, etc. (2) Box asst clock materials Box asst clock mainsprings, many still in constraints Tins of milling cutters, drill bits, etc. (4) Box asst clock consumables & materials Bergeon no. 2462 graver sharpening jig Bergeon tools: no. 5797 hand lifter, Presto hand remover (2) Box with multiple tins of materials & consumables Carriage clock platforms, all a/f (8) Carriage clock platforms, all a/f incl a floating suspension unit (7) Carriage clock platforms f/r (7) Containers of clock cutting & smoothing broaches (4) Oiler stand & oilers Set of five clock reamers Bags of pliers, buff sticks, brushes (3) Bag of large clock cutting broaches, mostly unused Bag of asst files Bergeon no. 1897 boxed set of double-ended roller
56 57 58 59 60 61 62 63 64 65 66 67 68 69 70 71 72 73 74	Clock bushing tool by Elma, with accessories Bag asst longcase winding keys Plastic nests of small drawers, with contents: taps, dies, materials, etc. (2) Box asst clock materials Box asst clock mainsprings, many still in constraints Tins of milling cutters, drill bits, etc. (4) Box asst clock consumables & materials Bergeon no. 2462 graver sharpening jig Bergeon tools: no. 5797 hand lifter, Presto hand remover (2) Box with multiple tins of materials & consumables Carriage clock platforms, all a/f (8) Carriage clock platforms, all a/f incl a floating suspension unit (7) Carriage clock platforms f/r (7) Containers of clock cutting & smoothing broaches (4) Oiler stand & oilers Set of five clock reamers Bags of pliers, buff sticks, brushes (3) Bag of large clock cutting broaches, mostly unused Bag of asst files Bergeon no. 1897 boxed set of double-ended roller sinkers
56 57 58 59 60 61 62 63 64 65 66 67 68 69 70 71 72 73 74 75	Clock bushing tool by Elma, with accessories Bag asst longcase winding keys Plastic nests of small drawers, with contents: taps, dies, materials, etc. (2) Box asst clock materials Box asst clock mainsprings, many still in constraints Tins of milling cutters, drill bits, etc. (4) Box asst clock consumables & materials Bergeon no. 2462 graver sharpening jig Bergeon tools: no. 5797 hand lifter, Presto hand remover (2) Box with multiple tins of materials & consumables Carriage clock platforms, all a/f (8) Carriage clock platforms, all a/f incl a floating suspension unit (7) Carriage clock platforms f/r (7) Containers of clock cutting & smoothing broaches (4) Oiler stand & oilers Set of five clock reamers Bags of pliers, buff sticks, brushes (3) Bag of large clock cutting broaches, mostly unused Bag of asst files Bergeon no. 1897 boxed set of double-ended roller sinkers Dumont balance spring curving tweezers (1 pair)
56 57 58 59 60 61 62 63 64 65 66 67 68 69 70 71 72 73 74	Clock bushing tool by Elma, with accessories Bag asst longcase winding keys Plastic nests of small drawers, with contents: taps, dies, materials, etc. (2) Box asst clock materials Box asst clock mainsprings, many still in constraints Tins of milling cutters, drill bits, etc. (4) Box asst clock consumables & materials Bergeon no. 2462 graver sharpening jig Bergeon tools: no. 5797 hand lifter, Presto hand remover (2) Box with multiple tins of materials & consumables Carriage clock platforms, all a/f (8) Carriage clock platforms, all a/f incl a floating suspension unit (7) Carriage clock platforms f/r (7) Containers of clock cutting & smoothing broaches (4) Oiler stand & oilers Set of five clock reamers Bags of pliers, buff sticks, brushes (3) Bag of large clock cutting broaches, mostly unused Bag of asst files Bergeon no. 1897 boxed set of double-ended roller sinkers Dumont balance spring curving tweezers (1 pair) Dumont balance spring curving tweezers (1 pair)
56 57 58 59 60 61 62 63 64 65 66 67 68 69 70 71 72 73 74 75	Clock bushing tool by Elma, with accessories Bag asst longcase winding keys Plastic nests of small drawers, with contents: taps, dies, materials, etc. (2) Box asst clock materials Box asst clock mainsprings, many still in constraints Tins of milling cutters, drill bits, etc. (4) Box asst clock consumables & materials Bergeon no. 2462 graver sharpening jig Bergeon tools: no. 5797 hand lifter, Presto hand remover (2) Box with multiple tins of materials & consumables Carriage clock platforms, all a/f (8) Carriage clock platforms, all a/f incl a floating suspension unit (7) Carriage clock platforms f/r (7) Containers of clock cutting & smoothing broaches (4) Oiler stand & oilers Set of five clock reamers Bags of pliers, buff sticks, brushes (3) Bag of large clock cutting broaches, mostly unused Bag of asst files Bergeon no. 1897 boxed set of double-ended roller sinkers Dumont balance spring curving tweezers (1 pair)
56 57 58 59 60 61 62 63 64 65 66 67 68 69 70 71 72 73 74 75 76	Clock bushing tool by Elma, with accessories Bag asst longcase winding keys Plastic nests of small drawers, with contents: taps, dies, materials, etc. (2) Box asst clock materials Box asst clock mainsprings, many still in constraints Tins of milling cutters, drill bits, etc. (4) Box asst clock consumables & materials Bergeon no. 2462 graver sharpening jig Bergeon tools: no. 5797 hand lifter, Presto hand remover (2) Box with multiple tins of materials & consumables Carriage clock platforms, all a/f (8) Carriage clock platforms, all a/f incl a floating suspension unit (7) Carriage clock platforms f/r (7) Containers of clock cutting & smoothing broaches (4) Oiler stand & oilers Set of five clock reamers Bags of pliers, buff sticks, brushes (3) Bag of large clock cutting broaches, mostly unused Bag of asst files Bergeon no. 1897 boxed set of double-ended roller sinkers Dumont balance spring curving tweezers (1 pair) Dumont balance spring curving tweezers (1 pair), & a no. 7 (1 pair)

79	Set of 9 watch screwdrivers on rotating stand
80	Bag of gauges & calipers
81	Metal boxed set of BA taps
82	Digital multimeter, sets of nut spinners, small
	spanners, screwdrivers (4)
83	‡ Soldering iron & associated accessories
84	Large box of asst hand tools
85	Elgin 'BW Raymond' H.S.3 deck watch in original wooden box, (matching numbers on watch & box), w/o
86	Waltham WWII Admiralty Timer No. 6 ASDIC stopwatch, w/o

Please note:

- If any dispute arises, the Auctioneer shall have absolute discretion to settle it and/or to put any disputed lot up for auction again.
- The Sellers and the British Horological Institute (Wessex Branch) do not make or give, nor has any other person any authority to make or give, any representations or warranty.
- All statements in the catalogue are statements of opinion and are not to be taken as statements or representations of fact. Buyers have full responsibility for inspecting lots before purchase and becoming fully aware of their age, condition and authenticity.
- 4. Goods become the liability of the Buyer immediately after the fall of the hammer.
- 5. There is no Buyer's premium if your bid is successful, the price bid is the price you pay.
- 6. Payment may be made by cheque (payable to "BHI Wessex Branch") only if the Buyer is known to the Branch and/or can produce proof of address etc. as required by the Branch and their "Bidder's Form" has been accredited and checked by a Branch official, unless prior arrangements have been made with the Treasurer. Otherwise payment must be made in cash.
- 7. Lots are to be removed at the Buyer's expense immediately after the conclusion of the sale, when a receipt for payment must be shown to a porter who will gather your lots together for you and hand them over in exchange for the signed receipt. Any lots uncollected after the sale will be disposed of at the discretion of the Branch.
- 8. All items are sold as seen. Electrical goods are sold with no guarantee as to their condition or safety.
